SUMMARY

As a passionate Fashion & Textile designer, I'm deeply drawn to the world of art, craft and design, where I've discovered my true calling. I find endless inspiration in the world around me, and I thrive on exploring how colors, textures, and patterns interact. Experimentation is my playground I love trying out different techniques and materials to deliver engaging and appealing end result.

ACADEMIC PROJECTS

2023: CLASSROOM PROJECT WITH KAYAKALP TRUST.

Integrate sustainable materials into traditional puppet-making with Kathputli Colony puppeteers and Kayakalp Trust.

2024: CLASSROOM PROJECT WITH R.LOOM (TEXTILES BRAND FROM MIZORAM).

To develop textile surfaces and in turn functional products
Using discarded yarns that resonate with the visual and design language of r.loom

2024: CLASS PROJECT WITH SIKKI GRASS CRAFT

Sikki project blends sustainability with tradition through dyed lampshades and Sikki-based aroma sticks.

2025: WORKED AT INDIA DESIGN.

At India Design, we conducted a walkthrough for all designers and architects across various brands.
