

# PALESH PARDASANI

## PERSONAL SUMMARY

Adept Graphic Designer with a proven track record at AISECT academy , where I excelled in transforming complex ideas into engaging visual stories. Skilled in Adobe Creative Suite and renowned for creative problem-solving and effective team collaboration. My designs significantly enhanced the firm's branding, showcasing my ability to merge technical prowess with artistic vision.

## EXPERIENCE

### GRAPHIC DESIGNER

*Builtwell solutions limited | bhopal, madhya pradesh | January 2024 - June 2024*

- Creating visually compelling materials that communicate design concepts, enhance presentations, and promote the firm's brand.
- Balanced creative and technical skills to support firm projects and enhance branding efforts.

## ACADEMIC PROJECTS

### • Archohm - Taskbox-2

Create innovative and functional wall designs using artistic vision, technical skills, and material knowledge to enhance residential spaces.

Collaborate with clients and teams to deliver custom solutions, staying updated on trends and managing projects from concept to completion.

### • r.loom - Taskbox-3

By repurposing textile waste, we create high-quality, eco-friendly items that reduce environmental impact and promote a circular economy.

Our mission is to blend creativity with sustainability, offering unique, responsibly-made products that inspire conscious consumerism.
