PROFILE

Creative Fashion and Textile Designer with a keen eye for color, fabric, and detailing. Adept at developing thoughtful design concepts supported by research and experimentation. Passionate about creating meaningful garments that balance aesthetics, comfort, and functionality.

WORK EXPERIENCE

APSK Production & Entertainment Pvt. Ltd.

- Fashion Stylish Intern

Volunteer in Annual Garden Sale in SHADES OF INDIA

ACADEMIC PROJECTS

Yashraj Bharati Samman

- Proposed and produced culturally influenced sustainable bands for new Samman cycle

Gababee

- Proposed and designed new product range of Modular Clothing and baby carriers and modular furniture.

Chothing For Senior Women

- Developed a research-based clothing project focused on senior women (50+) experiencing arthritis. The project addressed comfort, ease of movement, and ease of wearing through user research, appropriate textile selection, and functional garment construction. Emphasis was placed on ergonomic fit and user-friendly fastenings to improve daily wearability and independence.
