PROFILE

I am currently a third year design student, specialising in fashion and textile. With problem-solving skill, the ability to communicate visually and have a good understanding of design principles and tools.

EXPERIENCE

I've had the opportunity to work on several design projects involving direct client interaction.

1. Collaborated with Fosters + Partners on initiatives aimed at addressing Urban Heat Island (UHI) challenges.

2. Partnered with The Kayakalp Trust to spearhead interventions preserving the endangered art of puppeteering.

INTERNSHIP

Beeline Sourcing
