ABOUT ME

A designer curious about how spaces shape human experience. My approach blends material awareness, cultural rootedness, and sustainable thinking to create interiors that are beautiful, functional, and socially meaningful. This portfolio showcases my journey, projects, and process, reflecting my core values: authenticity, adaptability, sustainability, and empathy.

ACADEMIC PROJECTS

- 2023 London Design Biennale India Pavilion**
Showcased India's authentic socio-cultural lifestyle at Biennale 2023, using indigenous elements like Kullad, Itra, Charpai and puppetry to address climate change.
 - The India Pavilion earned second prize.
- 2023 Artize, Jaquar Group**
A spatial art experience through in store installation for Artize Atelier.
- 2023 UHI (Urban Heat Island) Foster+Partners**
Proposing interventions tackling URBAN HEAT ISLAND effect within the context of DELHI.
- 2024 Bio Design Challenge, New York**
Creating large scalable impact by creating material/ bio innovation at a micro context level in the Indian context.
 - Got special mention in Cumulus Green for the same project of designing readily available and affordable animal specific band-aids
- 2024 Domaine de Boisbuchet, France**
Attended workshop held by The Design Village that highlighted the impact of global geopolitical turmoil on innocent lives through the art of puppetry.
