

# Shivansh singh

## Graphic Designer

I'm a graphic designer who works across posters, magazines, YouTube visuals and social media content. I've collaborated with international clients and gained experience in handling real project needs, from concept to final output. My work focuses on clear communication, strong layout and practical problem solving. I'm currently studying Graphic and Communication Design and building my skills to grow as both a designer and a future design instructor.

## Experience

Lets Game Now **OCT 2023 – DEC 2023**

### ▶ Presentation Designer

I created visually appealing proposal decks and presentations to pitch to the sponsors.

MOGO eSports PVT LTD. **JUL 2023 – OCT 2023**

### ▶ Graphic Designer

I designed impactful social media creatives that directly contributed to the company's brand awareness and online engagement, driving tangible business results.

STAD. **JAN 2023 – MAY 2023**

### ▶ Graphic Designer

Worked as a full-time designer for a gaming platform that hosts online gaming events. I created social media posts, promotional posters and interface visuals for their app, focusing on clear communication and fast turnaround.

TOURNAFEST GAMING PVT LTD. **MAY 2022 – APR 2023**

### ▶ Graphic Designer

I elevated the company's digital presence by crafting captivating streaming content and visually stunning social media creatives which helped in enhancing their online presence to a great extent.
