

KARTIK RAWAT

TRANSPORTATION
AND
MOBILITY
DESIGNER

PROFILE

My name is Kartik. As a transportation designer with a passion for creating interconnected and innovative mobility solution. My past experience living in Japan exposed me to a unique car culture, inspiring me to explore how transportation can enhance urban environments and improve daily commutes.

WORK EXPERIENCE

Feb 2023 - Apr 2023

Toyota Logistic Design Competition

TRANSPORTATION DESIGNER

In this competition, Our task is to apply **circular economy** to create sustainable product for Toyota Logistic

Aug 2023 - Oct 2023

NON-A

TRANSPORTATION DESIGNER

Had a experience with Non arch competition platform, where we have to create a Caravan for **Modern Nomads** who works freelanced, and move from one place to another

Aug 2025 - Dec 2025

FINAL DESIGN PROJECT

TRANSPORTATION DESIGNER

Designed a lifestyle-oriented pickup that blends the stance of a modern SUV with the practicality of a utility vehicle. The concept emphasizes modular features, refined surfacing, and balanced proportions to support everyday use, outdoor travel, and urban commuting. The result is an emotionally engaging, versatile mobility solution aligned with contemporary lifestyle needs.
