EDUCATION

The Design Village, Noida — *Bachelors of Design*

2022 - 2026

UX & Interaction Design

Academic Projects

Mynzo - *UX/UI Design*

Feb 2024 - May 2024

Crafted a holistic strategy to drive behavior change for a net-zero future. Through interactivity, tailored content, and a focus on climate urgency, the goal was to inspire action.

Foster+Partners — *Strategic Design*

October 2023 - December 2023

Introduced night markets in Sarojini Nagar to address UHI effect and daytime congestion.

Forest Design Labs — *Interaction Design*

August 2024 - September 2024

Created forest installation combining physical and digital elements inspired by crown shyness trees. Reacts to individuals using sensors, providing a calming and inclusive experience.
