EXPERIENCE

INTERNSHIP

Jr. DESIGNER AT FA HOME AND APPAREL PVT. LMT. (GURGAON)

FEBRUARY 2025 - APRIL 2025

- Streamlined sampling data updates, improving accuracy and reducing delays in the design-to-production process.
- Organized and maintained comprehensive fabric, embroidery, and sample archives, enhancing team access and speeding up reference workflows.
- Developed print, embroidery, and material samples directly aligned with buyer mood boards, strengthening collection relevance and appeal.
- Coordinated effectively with merchants and designers, ensuring clear communication and timely execution of sampling requirements.
- Prepared and organized sample packets and presentation boards for internal reviews and buyer meetings.

INTERNSHIP

COUNSELLOR AT THE DESIGN VILLAGE, COLLEGE (NOIDA)

AUGUST 2023 - JANUARY 2024

- Managed a high volume of outbound calls, averaging 80 calls per day in a 2-hour timeframe. Effectively communicated admissions information and answered student inquiries. Successfully brought in 10 new applications during the counseling period.
- Assisted students throughout the entire admission process cycle, providing detailed guidance on application requirements, deadlines, and documentation.
- Facilitated the interview process by assisting both students and interviewers, ensuring clear communication of expectations and requirements.

COLLEGE PROJECT

YASH RAJ BHARATI SAMMAN

MEDAL BAND FOR THE SAMMAN

- Conducted extensive research and development, yielding significant insights and advancements.
- The medal band features an attractive design, cost efficiency, durability, softness, and sustainability.
- The client expressed high satisfaction with both the design and the final product.
- Played a pivotal role throughout the entire project lifecycle, contributing to strategic planning, execution, and successful completion.
- Received positive feedback from faculty members, highlighting the effectiveness of my contributions.
